

## Looking for more ways to save energy and money?

Xcel Energy's **Home Energy Squad**<sup>®</sup> will deliver and install \$200 worth of services and equipment in your home for just \$75.<sup>1</sup>

Services include:

- Weather-stripping a drafty, exterior door
- Installing a programmable thermostat
- Switching out incandescent light bulbs for LEDs
- Replacing showerheads with energy-efficient models
- Adding aerators to your kitchen and bathroom faucets

Visit [xcelenergy.com/HomeEnergySquad](https://xcelenergy.com/HomeEnergySquad) or call **303.446.7910** to schedule your visit.

Ready to sign up now? Exchange your \$50 Fridge Recycling rebate for a **FREE visit** from the Home Energy Squad! Check the box below to receive this \$200 value for recycling your refrigerator or freezer.<sup>2</sup>

1. The \$75 trip charge includes installation, labor and materials for the basic services outlined above. Additional quantities of weather stripping and thermostats can be purchased a la carte.

2. The standard \$50 rebate for recycling a working refrigerator or freezer will be applied to the trip charge for the Home Energy Squad program. Customers who participate in this special promotion will receive a \$25 discount on the trip charge, and therefore will receive a free visit from the Home Energy Squad. Participating customers will be contacted by the Home Energy Squad within 10 business days following the pickup of their refrigerator or freezer to schedule their free Squad visit. To receive this promotional value, customers must indicate their desire to participate by checking the box during the sign up process for the Refrigerator Recycling program.
